

Dear valued Customer,

We hereby affirm that all varieties of BOPP films manufactured by POLFILM are compliant for food contact, with no functional barriers present.

Furthermore, we assure that all materials utilized adhere to the regulations set forth by the Iranian Food and Drug Administration, containing no animal-based ingredients, food additives, or flavorings.

Yours faithfully,

POLFILM COMPANY

The logo consists of the word "POLFILM" in a bold, blue, sans-serif font. The letters are spaced out, and the overall appearance is clean and professional.
