## Advantages

- Does not produce waste.
- Save space; No storage cost for used core.
- Enhance safety & reduce risk; Not flammable.
- Save Money; Eliminating waste management cost.

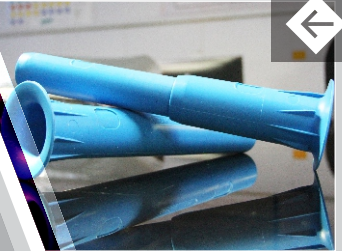

The Art Of Packaging

## Coreless Dispenser

For easier application of coreless films, it is suggested to use a roll dispenser.

- Fully reusable.
- Safe for hand; No friction with hand.
- Faster wrapping speed.
- User friendly; easy to use.

The Art Of Packaging

## How To Use

Using the roll dispenser can be done in a few simple steps.

- 1) Separate two parts of coreless dispenser.
- 2) Enter dispenser to both sides of roll.

The Art Of Packaging

## How To Use

- 3) Twist until dispenser fix to each side.
- 4) Now the roll ready to use like normal stretch roll.
